

ARTISTIC.

Few people realize how much of the artistic instinct enters into the creation of a thoroughly stylish though "somewhat different" tailor made suit. A style may be of the latest and yet not precisely like every other one in town. It is the ability to make out "somewhat different" that has earned us our reputation as Leading Tailors.

Our Suit Clubs at \$1 per week are very popular.

WE BELIEVE

that purchases of groceries are made to fill certain needs, and that quality must actually have the largest share of attention. Price is and should be made subordinate until one's judgment approves the quality. The quality once fixed, then buy as low as it can be bought. This is our theory in buying. We have carefully graded the price on our entire stock, but not a single article is of poor quality. Each steamer from the Coast brings us new fresh goods.

You'd stop that leak instantly. How about your house? Is there any leakage there? A house is really a purse with lots of money in it. This wet weather is hard on your roof, and unless properly looked after every cent's worth will leak out. Better see me now.

Crazy Competition

is the ruin of all business enterprise. People cut prices to get trade because they can't get it any other way. A good mechanic can command and get a fair price for honest work. My standard of work and prices are the same as they have been for the five years I have been in business here.

I don't claim to know it all and don't want it all, but just take this opportunity to let the public know that the old stand is still open at 231 King street, opposite the Arlington Hotel.

Hawaiian Electric Company.

The cleanest, brightest safest and really, in the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe: nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks."

This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light.

Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want.

We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers.

ABOUT SOUTH KONA ROADS

CORRESPONDENT FINDS FAULT WITH CONDITION.

Petition of the Prominent Tax Payers in the District Asks for a New Road Board.

Editor Hawaiian Star:

Your correspondent "The Chairman K. R. B." of October 27, "feels indignant," and like other folks who occasionally, or frequently, lose their temper, talks through his hat, and in trying to fling the mud that he won't scrape from the Kona roads, avoids the issue that was fairly set forth in my earlier communication.

The fact that forty of the best taxpayers and most influential residents have asked Minister King to haul the present road board from the mud of their official life, and for good reason, which are avoided in the "Chairman's" letter, is good evidence that the time has arrived when the people need a change.

Mr. Editor, in thanking you for space, I beg to draw your attention to the business methods of the North Kona Road Board; the public are asked to meet and advise and so proper harmony—and goods roads—are in evidence there.

"YOUR CORRESPONDENT,"

October 14, 1897.

To Hon. J. A. King, Minister of Interior.

The persons undersigned for themselves and the majority of the residents of South Kona, Hawaii, respectfully request that the present district road board be removed, on account of general inattention, dilatory methods, and for expending funds upon a small, unimportant and isolated section of roadway contiguous to their own abodes, no reasonable traffic warranting such outlay and the immediate needs of public highways being totally ignored. The business is not made public and no statement of accounts has been published, or given the taxpayers.

A general dissatisfaction exists in this district and we ask that a new board be appointed. James H. Davis, Thomas Wright and John Gaspar are good active business men and command the confidence of the whole community. We ask for their nomination.

Ackerman, Henry Weeks, H. A. Lindley, J. D. Paris, J. A. Bettencourt, G. Glorv, H. Hoppe, J. G. MacLeod, Antone Machado, J. R. Soares, J. N. Smith, Thomas Hind, O. G. Alluis, A. R. Rorrat, J. A. WOULD NOT DESERT HIM.

The Star's Maui correspondent writes: It seems the Japanese woman murdered at Lahaina, Maui, last Thursday, was not the murderer's wife, but the wife of another Jap. The murderer, who was formerly a lover of the woman in Japan, wanted her to leave her husband for him, which she refused to do, and so he killed her. He waited three hours in the same house with her, watching for his chance, and took it when she had stepped out a moment alone, and when the other inmates of the house rushed out at the noise her throat was cut and she was stabbed in several other places.

THE BOAT CAPSIZED.

Government Officials on Maui in the Ocean—Maui News.

Pilot English, Port Surveyor Zamwalt and six native boat boys had a very thrilling time last week. They had gone out to meet the Lurline, but the captain did not stop for them, sailing past them, capsizing their boat, and coming on into the harbor. For about an hour they were in the water, clinging to the capsized boat, and every little while having to swim for it, as the waves would roll the boat over and over. Superintendent Berg of the Kahului R. R. Co., sent a boat out and rescued them, as soon as possible. Had they not been good swimmers, some of them would surely have been drowned.

Per Lurline came as passengers, Mrs. Taylor, wife of the Spreckelsville book-keeper, and Mr. McGuire for the same plantation.

Gulches between Makawao and Hana have been almost impassable the past week. In one of them the mail man had to put his mule over with a rope, and the mail bags were washed away by the torrent, though recovered later.

The three year old boy of J. A. Johnson of Lynn Center, Ills., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved the little boy's life. He is in the drug business, a member of the firm of Johnson Bros., of that place, and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians all ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by all druggists and dealers.
